As of March, 2009, the Ministry of Natural Resources has authorized the municipality to sell those parts of road allowance which are covered by water. For pending and future applications, the Township will approve and transfer title to flooded lands, if staff confirm the transfer is appropriate. For past applications where title to the flooded portion of the road allowance was retained by the municipality, an abutting owner may apply to acquire title to the flooded portion, at a purchase price of \$1.00, together with payment of the Township's application fees and all other expenses or costs incurred by the Township in completing the transfer.

Any objections received from the public on a specific closing and deemed valid by Staff will be referred to Council for a decision.

All expenses or costs arising from or in relation to the application incurred by the Township and any fee charged by the Township are the responsibility of the Applicant. If the application and transfer process is not completed for any reason, the Applicant is responsible for any Township costs incurred up to that time, including any Taxes, if applicable.

7. The Applicant will take all steps/actions required by the Township to effect a merger of the acquired lands with the Applicant's abutting lands. Among other things, the Applicant may be required to make application to Council to deem the Applicant's abutting lands not to be within a Plan of Subdivision to effect the merger. Where a legal merger will not be obtained, the Applicant may be required to consolidate the acquired lands with its abutting lands into one parcel register. The applicant shall be responsible for all costs incurred by the Township concerning the foregoing processes/applications.
8. Council may impose any condition upon the sale and transfer of the closed road allowance that it considers necessary and appropriate. This may include registration of a prohibition or restrictive covenant on title of the lands.
9. Council may choose not to stop up and sell all or part of a shore road allowance that is adjacent to an Environmental Protection zones as identified in the Township Zoning By-law 2006-125 or which consists of steep slopes or other natural features that are considered by Council to have environmental importance.
10. The Township will consider the sale of Shore Road Allowances except when:
 - i) In Council's opinion the SRA is used for Public access or Municipal purposes or has the potential for Public or Municipal use in the future.

- ii) The abutting neighbours are not in agreement for a legitimate reason with the mutual boundary or the privatization of the shore road allowance as determined by Council.

 - ii) The Transfer shall be prepared by the Township Solicitor.

Shore Road Allowance Applications should be finalized within 18 months of receipt of a complete application. Failure to do so will result in the application being brought forward to Council with a recommendation for termination.

- 12. The Applicant shall be responsible for their own costs.
